Our premium **skirting board** is the ideal choice for enhancing the decorative skirting of any indoor space.

Thanks to its polystyrene material and clean white color, it seamlessly fit any interior design style.

Its smooth surface provides an elegant appearance, contributing to the aesthetic value of your home or office.

Additionally, the product is **waterproof**, moisture-proof, and insect-proof, ensuring it maintains its quality and appearance over time.

Important: The product is not fireproof and not flame retardant, so it should avoid contact with open flames.

Features:
